

Funds Availability Policy Disclosure

YOUR ABILITY TO WITHDRAW FUNDS AT LINCOLN NATIONAL BANK

Our general policy is to allow you to withdraw funds deposited to your account on the first business day following the day we receive your deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first business day. Then, the funds will generally be available by the second business day after the day of deposit. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If a deposit is made before closing on a business day that the bank is open we will consider that day to be the day of deposit. However, if a deposit is made after closing or on a day we are not open we will consider that the deposit was made on the next business day we are open.

RESERVATION OF RIGHT OF HOLD

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$275 of your deposits, however, may be available on the first business day. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, please ask us when the funds will be available. Any request for payment against funds on which a hold has been placed may be returned unpaid.

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$6,725 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$6,725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will generally be available no later than the ninth business day after the day of your deposit.
